

Easy-Registration Step by Step Guide:

Being a webcam performer is one of the easiest and safest way to make money in the adult Business. A top webcam model can earn thousands of Dollars per week with working less than 30 hours. If you follow this instruction, you will see, becoming a good webcam model is very easy.

Please make sure you have all Documents we need ready, before you sign up.

For more Information how to Make Money From Home as a Webcam Model visit our Information Website with a detailed how-to at: **<http://www.makemoney-homeworking.com>**

The Checklist:

Please check if you have all this ready before registration:

- **Computer**
- **Broadband Internet Connection - as fast as possible**
- **Webcam or a camcorder with a capture card (Video-In for your computer)**
- **Your E-Mail Address**
- **A Scanner or Digital Camera**
- **Printer (might not be needed in all cases)**

Our Easy Registration System is an user-friendly interface.

If you will use this document as reference, please print it or use the PDF Document or open this Document in a new Window.

1. This is the Start of the registration. [Click on the Link below](#) and this should be what you see.

>> **[Click here to start Registration!](#)** <<

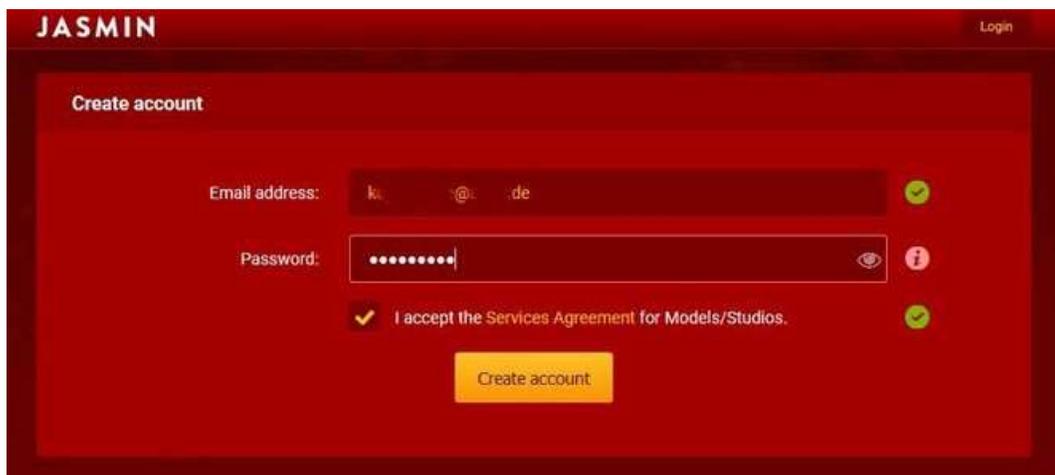

The screen below is the Start of the registration. It can look like this, but the appearance can change from time to time, and also it could look different depending on the country you live.

2. Important is that you press on "Join Us"

After you pressed "join us", you will see something like this on your Screen first:

3. Enter your **valid e-mail** address where you also have access to, and a **password** and **activate the Checkbox** "I accept the Service Agreement for Models/Studios". Green Check-Symbols will appear if the input is valid, and the e-mail address was not used before.

Write all things down on a Paper so you cannot forget it later. You must login with this information later.

4. Then press "Create account".

Something like this will now appear on your screen:

A screenshot of the JASMIN website's registration form. The page has a dark red header with the "JASMIN" logo and a user profile icon. Below the header, the section is titled "Your details". The form contains several fields, each with a green checkmark to its right, indicating successful input:

- Full name: Max Mustermann
- Date of birth: April 1, 1975
- Gender: Female
- Country: Germany
- Nationality: German
- Ethnicity: White

At the bottom of the form is a yellow "Next" button.

5. Now enter your personal details like Name, Birthdate, Gender Country, Nationality and Ethnicity as I did above. Green Check-Symbols will appear if your input is okay.

And now press Next. You will see the screen like below.

A screenshot of the JASMIN website's registration form, showing the "ID details" section. The page has a dark red header with the "JASMIN" logo and a user profile icon. Below the header, the section is titled "Your details". The form contains several fields, each with a green checkmark to its right, indicating successful input:

- ID Type: Driver's Licence
- ID Number: 123412341234
- My ID doesn't have an expiry date. (checked)

At the bottom of the form is a yellow "Next" button.

6. Now enter your ID-Details, for example from your **Driver's Licence**. If your document does not expire, **check** "My ID doesn't have an expiry date" else input the expiration date.

7. Now press **Next** and you should see the Screen below, where you have to upload the **Pictures** of the **documents** from where you entered the ID-Details above.

JASMIN

Upload documents

Upload both sides of your ID, then take a picture of you holding your ID.

ID Front ⓘ
Browse or drag file here

ID Back ⓘ
Browse or drag file here

Face & ID ⓘ
Browse / drag file here
or Take a Snapshot

Your documents must be reviewed before approval.
We shall contact you within 24 hours!

Continue

8. Now upload the digital copies of your document. You can simply drag the images (photos of the document) you made into the 3 boxes: **ID Front - ID Back - Face & ID** (with webcam is possible)

You can also or press on **Browse** to locate the image in the folder where you have it on you PC or Laptop, or on the desktop of your PC or Laptop.

At this time of writing the resolution of the images should be more than 500x500 pixel and the file size less than 15 MB, image Format can be JPG, JPEG, PNG or BMP, as shown in the screenshot below:

Again:

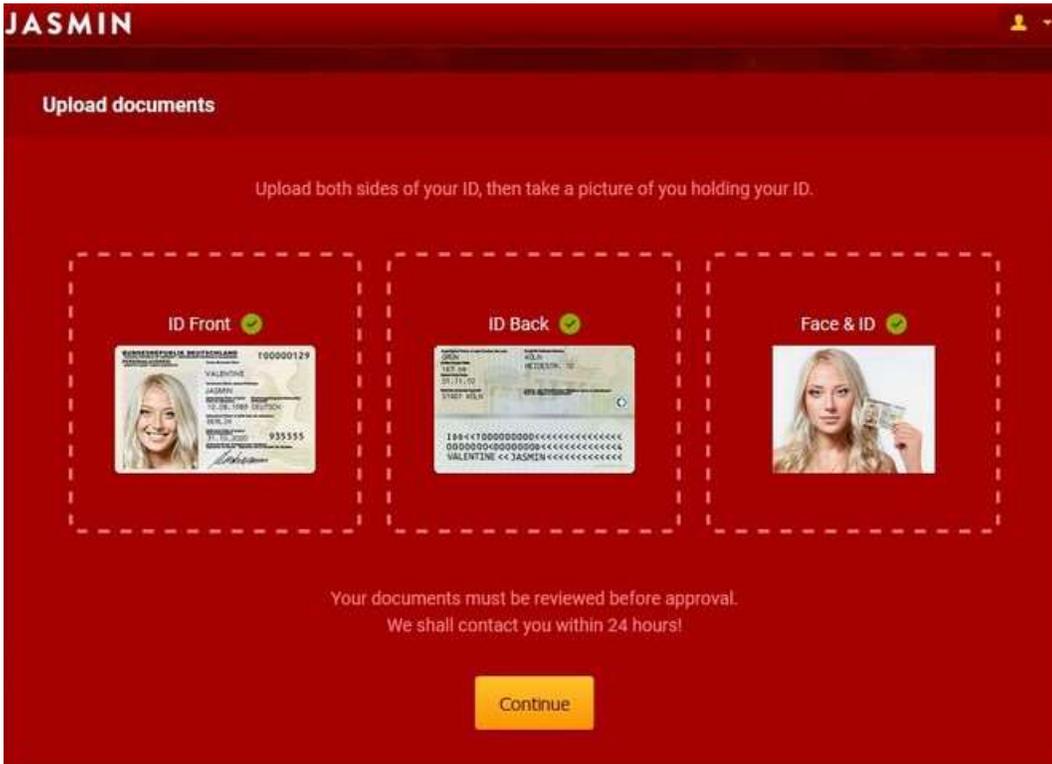

Picture Pixel size: 500 x 500 Pixel **Minimum**
File size of Picture: 15 MB (megabytes) **Maximum**

You can put the mouse over the i-symbol for information about the required File size and Format.

After uploading your Documents successfully, the screen should look like this:

If the Green Check-Symbols is active above all 3 Documents, you can press continue.

9. Now select your account type (studio or single person)

A screenshot of the Jasmin website's account selection screen. The page has a dark red background. At the top left, the word 'JASMIN' is written in white. Below it, the text 'Select account type' is displayed. There are two main options: 'Single Account' and 'Studio Account'. The 'Single Account' option is highlighted with a yellow border. It features a yellow icon of a single person, the text 'Single Account' and '1 person', and a description: 'Be your own boss and work whenever you feel like it.' The 'Studio Account' option features a yellow icon of three people, the text 'Studio Account' and '2 or more people', and a description: 'Manage you and your partner, or the careers of your models.' At the bottom center, there is a yellow 'Next' button.

10. Most people have to select Single Account like shown above, then **press next**.

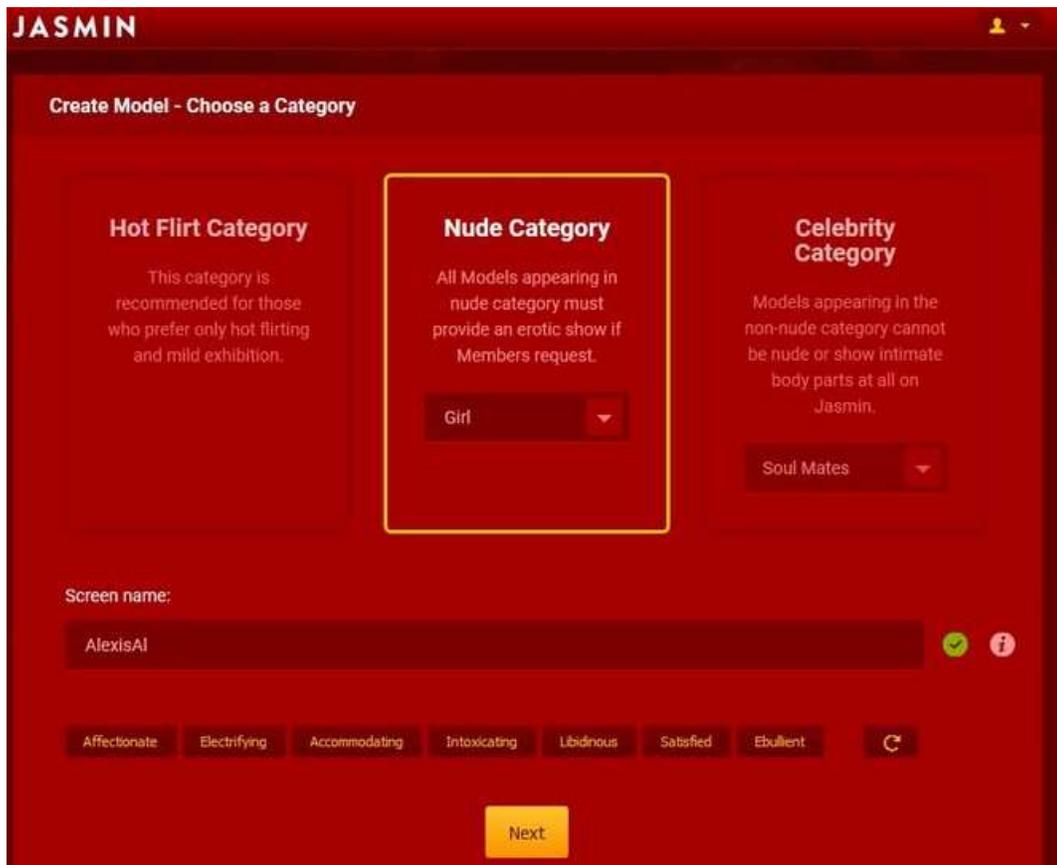

A screenshot of the Jasmin website's 'Create Model - Choose a Category' screen. The page has a dark red background. At the top left, the word 'JASMIN' is written in white. Below it, the text 'Create Model - Choose a Category' is displayed. There are three category options: 'Hot Flirt Category', 'Nude Category', and 'Celebrity Category'. The 'Nude Category' option is highlighted with a yellow border. It features a yellow icon of a person, the text 'Nude Category', and a description: 'All Models appearing in nude category must provide an erotic show if Members request.' Below the description is a dropdown menu with 'Girl' selected. The 'Hot Flirt Category' option features a yellow icon of two people, the text 'Hot Flirt Category', and a description: 'This category is recommended for those who prefer only hot flirting and mild exhibition.' The 'Celebrity Category' option features a yellow icon of a person, the text 'Celebrity Category', and a description: 'Models appearing in the non-nude category cannot be nude or show intimate body parts at all on Jasmin.' Below the descriptions is a dropdown menu with 'Soul Mates' selected. At the bottom left, there is a text input field labeled 'Screen name:'. At the bottom center, there is a yellow 'Next' button.

11. Now you can choose your category. For example **Nude Category**, and if you are a lady you chose girl. Do not choose "Porn Star" in the switch box (arrow down). **Only click "I am a Porn Star" if you work or worked as a Porn Star**. You need to provide us with your stage-name, biography and film-history **in addition** to the usual registration documents and data. Our colleagues will evaluate this information and place you in the appropriate section. **We have a special Program for Porn Stars**.

12. Also you have to enter a Screen name (just letters here). This is the Name your Visitors will see, and know you. Most people will NOT enter their Real Name. Make it easy to remember for your customers. It has to be unique. If someone else already has chosen the "Screen Name" you want, you cannot use it. Enter another "Account Username".

If the check symbol on the right goes green then **press next**.

You will also get some suggestions below aswell so you can just select **one of the coolest names** from there if you do not have any idea what **screen name** to give yourself..

Now press next.

This screen below will come up now. Here you have to enter some personal information, about your appearance like gender, hair color, eye color and so on...

JASMIN 👤

Provide Model Data
